

SPECIAL DISCOUNT 2019

The Board of Westpower has resolved to provide a discount of lines charges to consumers of \$3m for 2019. The amount of each consumers discount will be provided to retailers and consumers will see the discount on their power accounts in December 2019.

Outlined below is the methodology for allocation of the special discount between customer classes. Please note that this methodology is consistent to that applied in previous years.

- a. The consumers are split into two group, one of category 1 and 2 consumers (domestic and small to medium businesses) and the other of category 3,4 and 5 consumers (large businesses and bulk consumers).
- b. The total discount is allocated to each group based on the proportionate share of total income received from each group.
- c. Category 3,4 and 5 will receive a discount of \$0.0075 (excl GST) per kWh based on their total consumption for the 12 months from 1 October 2018 to 30 September 2019.
- d. Category 1 and 2 consumers receive a fixed amount of \$15 per consumer, plus \$0.0153 (excl GST) per kWh allocated on the basis of consumption for the 12 months from 1 October 2018 to 30 September 2019.
